

## It's Mowing Season

Help keep the storm drains open

Excess grass and debris can clog the City's drainage systems

It is important to consider this when mowing your yards and "Remember" – It is unlawful for any person to deposit upon or litter any street, highway, public or private place with solid waste, garbage, or refuse as defined in Section 8.32.030 (D) of this chapter. In application of this section to the mowing of grass or other vegetation with resulting in scattering or blowing thereof on a street, highway, or public place, no person shall be convicted of a violation of this chapter if such material is removed from said street, highway, or place within a reasonable time but in all events within thirty (30) minutes.

Police Department will notify you to clean up within 30 minutes, if no located a letter will be sent out.
