INDEPENDENT AUDITORS' REPORT

To the City Council
City of Larned, Kansas
Larned, Kansas

Adverse and Unmodified Opinions

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of **City of Larned, Kansas**, as of and for the year ended December 31, 2023 and the related notes to the financial statement.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matters discussed in the Basis for Adverse and Unmodified Opinions section of our report, the accompanying financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the City as of December 31, 2023, or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the City as of December 31, 2023, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1.

Basis for Adverse and Unmodified Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the *Kansas Municipal Audit and Accounting Guide*. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of the City, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified audit opinions.

Matter Giving Rise to Adverse Opinion on U.S. Generally Accepted Accounting Principles

As discussed in Note 1 of the financial statement, the financial statement is prepared by the City on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Responsibilities of Management for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures – actual and budget and individual fund schedules of regulatory basis receipts and expenditures – actual and budget (Schedules 1 and 2 as listed in the table of contents) are presented for purposes of additional analysis and are not a required part of the basic financial statement; however, are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information is fairly stated, in all material respects, in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

City of Larned, Kansas' basic financial statement for the year ended December 31, 2022 (not presented herein), was audited by VonFeldt, Bauer & VonFeldt, Chtd. who merged with AdamsBrown, LLC as of November 1, 2023, whose report dated July 31, 2023, expressed an unmodified opinion on the basic financial statement. The 2022 basic financial statement and the other auditor's report are not presented herein, but are available in electronic form from the web site of the Kansas Department of Administration at the following link <https://admin.ks.gov/offices/accounts-reports/local-government/municipal-services>. The report of the other auditors dated July 31, 2023, stated that the individual fund schedules of regulatory basis receipts and expenditures – actual and budget for the year ended December 31, 2022 was subjected to the auditing procedures applied in the audit of the 2022 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2022 basic financial statement or to the 2022 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America and in their opinion, was fairly stated in all material respects in relation to the basic financial statement as a whole for the year ended December 31, 2022, on the basis of accounting described in Note 1.

The notes to the financial statement are an integral part of this statement.

CITY OF LARNED, KANSAS
Notes to Financial Statement
December 31, 2023

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

City of Larned, Kansas has established a uniform system of accounting maintained to reflect compliance with the applicable laws of the State of Kansas. The accompanying financial statement is presented to conform to the cash basis and budget laws of the State of Kansas, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The following is a summary of such significant policies.

Financial Reporting Entity

The City is a municipal corporation governed by an elected eight-member council. This financial statement does not include the related municipal entity shown below. A related municipal entity is an entity established to benefit the City and/or its constituents.

Public Library

The City's Library Board operates the City's public library. Acquisition or disposition of real property by the board must be approved by the City. Bond issuances must also be approved by the City. Unaudited financial statements can be obtained by contacting the library.

Basis of Presentation – Fund Accounting

The accounts of the City are organized and operated on the basis of funds. In governmental accounting, a fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance related legal and contractual provisions. The minimum number of funds is maintained consistent with legal and managerial requirements.

The following types of funds comprise the financial activities of the City for the years ended December 31, 2023.

Regulatory Basis Fund Types

General Fund – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose Fund – used to account for the proceeds of specific tax levies and other specific revenue sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Bond and Interest Fund – used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

Business Fund – fund financed in whole or in part by fees charged to users of the goods or services (enterprise and internal service funds).

Trust Fund – fund used to report assets held in trust for the benefit of the municipal financial reporting entity (i.e. pension funds, investment trust funds, private purpose trust funds which benefit the municipal reporting entity, scholarship funds, etc.).

Basis of Accounting

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America. The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the

CITY OF LARNED, KANSAS
Notes to Financial Statement
December 31, 2023

reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The City has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the City to use the regulatory basis of accounting.

Reimbursements

The City records reimbursable expenditures in the fund that makes the disbursement and records reimbursements as a receipt to the fund that receives the reimbursement. For purposes of budgetary comparisons, the expenditures are properly offset by the reimbursements under KMAAG regulatory basis of accounting.

NOTE 2 – BUDGETARY INFORMATION

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

- a. Preparation of the budget for the succeeding calendar year on or before August 1st.
- b. Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
- c. Public hearing on or before August 15th, but at least 10 days after publication of notice of hearing.
- d. Adoption of the final budget on or before August 25th.

If the City is holding a revenue neutral rate hearing, the budget timeline for adoption of the final budget has been adjusted to on or before September 20th. The City did hold a revenue neutral rate hearing this year.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least 10 days after publication the hearing may be held and the governing body may amend the budget at that time. There were no such budget amendments this year.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison statements are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which revenues are recognized when cash is received and expenditures include disbursements, accounts

CITY OF LARNED, KANSAS
Notes to Financial Statement
December 31, 2023

payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the City for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year end.

A legal operating budget is not required for capital project funds, trust funds, and the following special purpose funds: Risk Management Reserve Fund, Equipment Reserve Fund, Capital Improvement Fund, and LFD Firefighter Fund.

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

NOTE 3 – DEPOSITS AND INVESTMENTS

City of Larned, Kansas follows the practice of pooling cash and investments of all funds. Each fund's portion of total cash and investments is summarized by fund category in the summary statement of receipts, expenditures and unencumbered cash.

K.S.A. 9-1401 establishes the depositories which may be used by the City. The statute requires banks eligible to hold the City's funds have a main or branch bank in the county in which the City is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The City has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the City's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The City has no investment policy that would further limit its investment choices.

Concentration of Credit Risk

State statutes place no limit on the amount the City may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and K.S.A. 9-1405.

Custodial Credit Risk - Deposits

Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. State statutes require the City's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. The City does not use "peak periods". All deposits were legally secured at December 31, 2023.

At December 31, 2023, the City's carrying amount of deposits was \$11,379,574 and the bank balance was \$11,727,149. The bank balance was held by three banks resulting in a concentration of credit risk. Of the bank balance, \$1,019,052 was covered by federal depository insurance, and \$10,708,097 was collateralized with securities held by the pledging financial institutions' agents in the City's name.

CITY OF LARNED, KANSAS
Notes to Financial Statement
December 31, 2023

Custodial Credit Risk – Investments

For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the City will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured. The City had no investments at December 31, 2023.

NOTE 4 – INTERFUND TRANSFERS

Interfund transfers within the reporting entity are substantially for the purpose of subsidizing operating functions, funding capital projects and asset acquisitions or maintaining debt service on a routine basis as authorized by Kansas statutes. **City of Larned, Kansas**' interfund transfers and regulatory authority for the year ended December 31, 2023 were as follows:

From	To	Authority	Amount
Electric Fund	General Fund	K.S.A. 12-825d	\$ 450,000
Electric Fund	Electric Reserve Fund	K.S.A. 12-825d	750,000
Electric Fund	Capital Improvement Fund	K.S.A. 12-825d	139,913
Water Fund	Water Reserve Fund	K.S.A. 12-825d	250,000
Water Fund	Bond and Interest Fund	K.S.A. 12-825d	25,000
Solid Waste Fund	Solid Waste Reserve Fund	K.S.A. 12-825d	20,000
Solid Waste Fund	Electric Fund	K.S.A. 12-825d	25,000

NOTE 5 – LITIGATION

City of Larned, Kansas is a party to various legal proceedings which normally occur in governmental operations. These legal proceedings are not likely to have a material financial impact on the affected funds of the City.

NOTE 6 – RISK MANAGEMENT

City of Larned, Kansas is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; business interruptions; errors and omissions; employee injuries and illnesses; natural disasters; and employee health, dental and accident benefits. The City has been unable to obtain workers' compensation insurance at a cost it considered to be economically justifiable. For this reason, the City joined together with other cities in the State to participate in the Kansas Municipal Insurance Trust (KMIT), a public entity risk pool currently operating as a common risk management and insurance program for 177 participating members.

City of Larned, Kansas pays an annual premium to the Kansas Municipal Insurance Trust for its workers compensation insurance coverage. The agreement to participate provides that the Kansas Municipal Insurance Trust will be self-sustaining through member premiums and will reinsure through commercial companies for claims in excess of \$500,000 for each insured event. During 2023, the City contributed \$46,110 to the fund for this insurance coverage. Additional premiums may be due if total claims for the pool are different than what has been anticipated by Kansas Municipal Insurance Trust's management.

Commercial insurance coverage is purchased for claims arising from such matters other than related to employee health benefits. Settled claims resulting from these risks have not exceeded commercial coverage in any of the three preceding years. There have not been significant reductions in coverage from prior years.

CITY OF LARNED, KANSAS
Notes to Financial Statement
December 31, 2023

NOTE 7 – GRANTS AND SHARED REVENUES

City of Larned, Kansas participates in numerous state and federal grant programs, which are governed by various rules and regulations for the grantor agencies. Costs charged to the respective grant programs are subject to audit and adjustment by the grantor agencies; therefore, to the extent that the City has not complied with the rules and regulations governing the grants, refunds of any money received may be required. In the opinion of the City, any liability for reimbursement, which may arise as the result of the audit, is not believed to be material.

NOTE 8 – STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

The Equipment Reserve Fund showed a negative ending unencumbered cash balance of \$67,929 for the year ended December 31, 2023. K.S.A. 10-1116 provides that under certain situations, a fund can end the year with a negative unencumbered cash balance and therefore, be exempt from the cash basis law of the State of Kansas. This fund met the criteria under the statutes; therefore, it is not deemed to be in violation of the Kansas cash basis law.

NOTE 9 – DEFINED BENEFIT PENSION PLAN

General Information about the Pension Plan

Plan Description

City of Larned, Kansas participate in the Kansas Public Employees Retirement System (KPERS), a cost-sharing, multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at www.kpers.org or by writing to KPERS (611 S Kansas, Suite 100; Topeka, KS 66603) or by calling 1-888-275-5737.

Contributions

K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 8.43% for the fiscal year ended December 31, 2023. Contributions to the pension plan from the City were \$189,956 for the year ended December 31, 2023.

CITY OF LARNED, KANSAS
Notes to Financial Statement
December 31, 2023

Net Pension Liability

At December 31, 2023, the City's proportionate share of the collective net pension liability reported by KPERS was \$2,201,478. The net pension liability was measured as of June 30, 2023, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2022, which was rolled forward to June 30, 2023. The City's proportion of the net pension liability was based on the ratio of the City's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at www.kpers.org or can be obtained as described above.

NOTE 10 – OTHER POST EMPLOYMENT BENEFITS

As provided by K.S.A. 12-5040, **City of Larned, Kansas** allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the City is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the City makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

As provided by K.S.A.74-4927, disabled members in the Kansas Public Employees Retirement System (KPERS) receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERS that is funded to pay annual benefit payments. The employer contribution rate is set at 1% for the year ended December 31, 2023.

NOTE 11 – COMPENSATED ABSENCES

Regular full-time employees are eligible for paid vacation leave. Part-time or temporary employees are not eligible for paid vacation leave. Eligible employees will receive vacation credit annually as follows:

Years Worked	Hours Accrued per Year	Maximum Accrual Hours
0-4	80 Hours	160 Hours
5-9	120 Hours	240 Hours
10-14	160 Hours	320 Hours
15+	200 Hours	400 Hours

No accumulated vacation leave may be taken by an employee until they have been in service of the City continually for a period of three months. Upon separation of employment, employees will be compensated for unused vacation leave.

Regular full-time employees are eligible for paid sick leave. Eligible employees will receive sick leave annually as follows. Full-time eligible employees will accrue sick leave at the rate of four hours per pay period. Sick leave can be used for illness or time off to care for members of their immediate family. During the three month introductory period of employment, eligible employees will accrue but not yet be eligible to utilize sick leave. Employees may accumulate a maximum of 1,000 hours of sick leave. Any

CITY OF LARNED, KANSAS
Notes to Financial Statement
December 31, 2023

accumulation in excess of 1,000 hours will be forfeited and accrual will cease until such time that the accumulation level drops below 1,000 hours. Employees will not be paid for unused sick leave except where an employee voluntarily retires from employment with the City in good standing. Eligible employees may be entitled to a percentage of the employee's unused sick leave above 400 hours and less than 1,000, up to a maximum of 480 hours.

NOTE 12 – PRIOR PERIOD ADJUSTMENT

During review of payroll, the City determined that the beginning unencumbered cash was overstated due to incorrectly accounting for payroll from a prior year. The financial statement has been adjusted to properly account for payroll in the amount of \$107,462.

NOTE 13 – LONG-TERM DEBT

City of Larned, Kansas has the following types of long-term debt.

General Obligations Bonds

On August 19, 2021, the City issued \$1,050,000 in Series 2021 general obligation refunding bonds for the purpose of refunding Series 2013 general obligation bonds.

On February 24, 2022, the City issued \$3,060,000 in Series 2022 general obligation bonds for the purpose of re-financing the remaining KDHE loans.

CITY OF LARNED, KANSAS
 Notes to Financial Statement
 December 31, 2023

Changes in long-term liabilities for the City for the year ended December 31, 2023, were as follows:

Issue	Interest Rates	Date of Issue	Amount of Issue	Final Maturity	Balance Beginning of Year	Additions	Reductions/ Payments	Balance End of Year	Interest Paid
General Obligation Bonds									
Series 2021 Refunding	1.45-2.00%	8/19/2021	\$ 1,050,000	9/1/2028	\$ 1,040,000	-	10,000	1,030,000	15,942
